SCHEDULED MAINTENANCE PLAN

A Briggs and Stratton Automatic Standby generator keeps the power flowing to the critical systems in your home. Generators require routine maintenance, similar to an oil change on your car. Our scheduled maintenance plan will help keep your generator in peak condition for a longer service life, while providing you the peace of mind that when the power goes out your backup power generator will be ready.

- ✓ Fast, reliable service
- ✓ Professional, certified service technicians
- ✓ 100% Customer Satisfaction Guarantee

Your economical service coverage can be easily extended year after year with our convenient automatic renewal feature. Prior to the expiration of your Preventive Maintenance Plan, you will receive a notice to confirm that your plan is being renewed for another year and to inform you of your option to cancel at that time.

Annual Level II Maintenance Agreement - \$ 294.00 plus tax \$23.52 **TOTAL: \$317.52**

The comprehensive annual inspection & maintenance that you'll receive includes the following:

Inspect spark plugs (replace if needed), Inspect plug wires, Replace air filter, Change Oil, 5W-30 synthetic, oil filter, Check auto transfer operation, Simulate a utility power outage (with customer approval), Check output voltage & frequency, Check muffler system for any cracks or leaks, Inspect condition of flexible fuel line, Remove battery corrosion, clean, tighten connections, Check for leaks, noises, vibrations, Clean & wipe down inside & outside of enclosure.

Semi-Annual Maintenance Agreement - \$ 370.00 plus tax \$29.60 **TOTAL: \$399.60**

Spring: A comprehensive inspection & maintenance (Level II)

Fall: A winterization unit inspection, start up, check voltage and oil level check performed at our convenience

TERMS: Holdridge Power Systems (HPS) agrees to provide the maintenance services described for the period commencing upon the date of this agreement. This Agreement will renew automatically for additional terms of one year unless terminated at the end of current term. This Agreement covers only the routine maintenance services specified. All required Parts and additional labor not covered by Manufacturer's warranty will be supplied at additional cost. All work will comply with manufacturer's guidelines and be performed in a professional manner and HPS agrees to correct any non-conforming services provided hereunder promptly. HPS disclaims all other warranties, express or implied. Customer agrees that in no event shall HPS be liable for indirect, consequential, special, exemplary, or incidental damages of any kind arising out of this Agreement.
